FOR THE CURIOUS

A FIRST PHONE THAT GROWS WITH YOUR CHILD

No two Pinwheel phones are alike. Customize your child's or teen's phone to meet your family's exact needs.

WHY PINWHEEL?

We built and designed our Pinwheel operating system from the ground up because we believe our kids deserve custom-built tools to feed their curiosities and fuel everyday exploration.

WHAT'S IN STORE

SCHEDULE PERMISSIONS TO MATCH THEIR DAY

You can create modes that determine which apps and contacts are available during different parts of the day.

CURATED APP LIST

Our therapist approved app choices are only shown to parents, so you can choose which healthy apps are available and when.

SAFETY

No social media, ads, TV, mindless games, or spam calls and texts from unapproved contacts.
